- A dedicated, qualified solicitor who understands your business and can attend board meetings annually when needed
- A practical compliance checklist tailored to your operations
- Priority response times and clear, practical answers

This isn't a call centre - it's a partnership with an experienced adviser. We work with you to spot

issues before they become problems, strengthen your negotiating position and make sure your business has the legal foundations it needs to succeed and grow.

What's not included?

If you need help with projects, disputes or more complex transactions, we can agree a price separately. Employment advice is excluded but can be provided via our LCF Works retainer offer.

What does it cost?

From £500 + VAT per month, reviewed quarterly. The fee reflects the complexity of support your business needs but stays fixed so you can budget with confidence.
